

由美國亞馬遜集團投資的新型音樂銷售網 www.Amiestreet.com，該網獨特之處是價錢係由買家來定，購買者越多下載價錢便越高，每首歌曲最高價錢為 98 美仙。歌曲越受歡迎價錢亦會越快提升至 98美仙，這亦能夠為買家提供更合理而優惠的價格。新曲上市時越早購買價錢自然更便宜，這亦能夠吸引顧客時常登入網站。

AmieStreet.com 的創辦人Elliott Breece 說：「AmieStreet.com 的概念是令到音樂社群能夠更有效地與音樂市場整合，由購買者決定音樂的價值。亞馬遜集團對音樂社群的支持令我們感到非常鼓舞。」

The screenshot shows the Amie Street website interface. At the top left is the 'AMIE ST' logo with a search bar below it. To the right are three album covers: 'THE FORMAT', 'TELEGRAPH', and 'BASA'. Further right is a login section for 'Amie Street' with fields for 'Username' and 'Password', a 'GO' button, and options for 'Remember Me' and 'Sign Up | Forgot password?'. Below the header is a navigation bar with 'Today', 'Recommendations', 'News', and 'Charts'. A genre menu includes 'All Genres', 'Acoustic', 'Alternative', 'Electronic', 'Funk', 'Hip Hop', 'Indie Rock', 'Pop', 'Rap', 'RnB', 'Rock', and 'Soul'. The main content area features a featured article titled 'J Dilla (aka Jay Dee) serves up 32 tracks on "Donuts"' by crazyvibes, tagged as Hip-Hop, Instrumental. To the right, a sidebar titled '3 REASONS TO GET STARTED' lists: 1. Fill up your iPod with great new music. 2. Buy songs from 0 to 98 cents.
